

Creating a strong local economy • Promoting the community • Providing networking opportunities • Representing the interests of business with government

**Try Lafayette First -  
Home for the Holidays**

So what is the headline going to be this year? “3% increase in Holiday Sales For Local Merchants This Year” or “The Grinch Stole Christmas Again?” But with high unemployment, fears of another recession, and a weak housing market it is wise to be cautious. Either way, we are in for a rough ride this holiday season. By continuing the TRY LAFAYETTE FIRST campaign the chamber’s goal is to generate bottom line sales of Lafayette merchants during the holidays through a high profile concentrated effort. We will continue to educate and motivate residents to “shop local.”

We have not decided on what stunt to pull this year. Last year we closed the freeway entrance to 24. Why leave Lafayette and go to Walnut Creek when you can support your own community? We’ll land a spaceship on Mt. Diablo Blvd. or hire clowns to roam the downtown, or something. Just let your customers know how important it is to shop local. Keep the money in our community, create local jobs, help the environment, increase local sales tax, and help support our local merchants.

**Business Person of the Year -  
Save the Date**

Please mark your calendar for Friday, January 20, 2012 for the annual Chamber dinner. Hear from our new Mayor Carol Federighi as she gives her “State of the City Address”, welcome the chamber’s new Board of Directors and celebrate with our 2012 Business Person of the Year. Lafayette Park Hotel & Spa is the place. You can find a ballot in the newsletter. Please nominate someone you feel is deserving of such an honor.

**Business Expo 2011**

The chamber is proud to partner with the Hispanic, Pleasant Hill, Concord and Martinez Chambers for the annual Business Expo, set for Thursday, November 3, 4:00-7:00pm at the Crown Plaza Hotel, 45 John Glenn Dr., Concord. A great place to meet, network or better yet share your business with hundreds of visitors. There may be a space left for you. Call Barbara at 925-284-7404 for details.

**32nd Annual Community  
Thanksgiving Breakfast**

Join the business community, residents and city leaders on Friday, 7:00am -8:30am November 18, 2011 at Lafayette Orinda Presbyterian Church, 49 Knox Dr., Lafayette. Registration form can be found inserted in this newsletter or visit [www.lafayettechamber.org](http://www.lafayettechamber.org). This year’s guest speaker is Congressman George Miller. Music will be provided by local harpist Wendy Tamis. Spring Loaf Catering will provide breakfast. It is that last chance to visit with your friends in the community before you get swept up in Holiday Madness.

*Stay Home for the Holidays*

**Support our local merchants!**

**Our New Board of Directors**

Congratulations to our newly elected board members!

- Diane Azaro-Barbera - California Bank of Commerce

## A thank you to our Sponsors and Volunteers of the annual Reservoir Run

We begin with a big hand for Oakwood Athletic Club who joins us each year as our presenting sponsor. A special thank you goes out to Bob Athyde and the Stanley School Music Department and Generations in Jazz. Whole Foods is this year's Awards Sponsor. Support also comes from Sports Basement, EBMUD, Contra Costa Times, 92.1 KKDV, Allegro Copy & Print, Minuteman Press of Lafayette, Love Bugs, Bowles & Verna LLP, Lafayette Physical Therapy, Lafayette Health Club, Peacock Construction 72 West/ Pinnacle Promotion, Beyond Chiropractic, BMW Concord, Contra Costa Veterinary Emergency Center, and the Shops at Plaza Center. Amazing weather and dozens of volunteers to thank including Dr. Jerri Behymer, LPIE, the schools' PTA representatives, Opportunity Knocks, Debbie Swaggart, Gary Morris, Kevin Healey, Lafayette Juniors and Whole Foods.

One Gorilla, 80 lbs. of bananas, 71 participants, one wacky business owner that call himself the "chief boot licker" and dozens of crazy ways to promote your business were shared on September 23rd, when the chamber put on its 1st "Outrageous Marketing Workshops." Look for our next segment in February.

## Measure G - Fix Our Roads

Measure G goes to the voters in Lafayette on Tuesday, November 8. The \$89 Annual Parcel Tax will help repair the remaining failed roads in town. The tax will run for 10 years or less if the all the roads are repaired. Your Chamber of Commerce Board of Directors votes to support this measure. With this measure, the city will pay as it goes. An additional \$3million will be drawn down from the city's reserve to cover the remainder of the cost. This measure is also supported by the Lafayette Taxpayer's Association, The League of Women voters of Diablo Valley and the Acalanes Valley Homeowner's Association.

## Holiday Lights

Nothing like a nip in the air, a comfortable sweater, and reusable shopping bags in your hands as you make your way through downtown Lafayette on your annual Holiday Shopping Trip. But wait, something is wrong. It's dark out here. What happened to the Holiday Twinkle Lights?

This could be a true story if we don't act now. In order to make necessary reductions in the city's budget, the City Council approved the elimination of funding for the lights this year. What can we do about it? We would invite you to join other downtown businesses and make a donation to help keep the city bright. We need to raise about \$8,000 by November 15th to keep the lights on and maintained. Simply send a check to the Lafayette Chamber of Commerce for any amount and we'll work with the city to keep the lights on. Oh, we'll take credit cards too! Happy Holidays and TRY LAFAYETTE FIRST.

## Las Trampas Hires New Executive Director

Las Trampas is thrilled to announce that after an extensive and thorough search for an Executive Director, they made their selection. Daniel L. Hogue was hired to begin on Monday October 24th. Daniel learned the business from the ground up as well as leading and improving established programs. Dan has an eye for detail and a passion for his work and his team. Dan is sure to be engaging and will excite and energize us as we continue to plan for the future of Las Trampas.

## BUSINESS ISSUES

### Downtown Strategic Plan

City Staff has prepared the 3rd draft of the DSP which will be reviewed at the Planning Commission Meeting on Monday, November 7. The Revised Draft Downtown Specific Plan (DSP) builds on the Lafayette General Plan and other policy documents to provide a detailed land use and design framework to guide private development and public investment in the downtown. The DSP was developed through a five-year process designed to maximize public input and participation. The DSP articulates a vision to preserve and enhance the small town character while guiding change that will occur over the next 20 years.

The Planning Commission will begin its review of this draft document in November 2011. After the Commission has completed its review, it will submit recommendations to the City Council. The City Council will take final action on the DSP. The Planning Commission will hold additional hearings on November 21 and December 5. If you have questions or comments on the DSP, please contact Niroop K. Srivatsa, nsrivatsa@lovelafayette.org, (925)-299-3206 or Ann Merideth, amerideth@lovelafayette.org, (925)-299-3218. To review the October 2011 draft visit the Cities website; www.ci.lafayette.ca.us

### Terraces of Lafayette Project

In October, The Planning Commission and the Circulation Commission had a joint meeting to begin discussions on a proposed 315 unit Apartment Complex that would be built on the open space located at Deer Hill Rd. and Pleasant Hill Rd. This was the site of a quarry during the construction of Highway 24. Currently the zoning allows for 34 units per acre although there is current discussions that would down-zone the property to 1 unit per 5 acres. The application for this project was deemed complete and the process has begun. At the joint meeting 27 residents took their turn during public comment and asked the city not to approve the project. More to come...

### Merrill Gardens

The mixed use development including 72 assisted living apartments, a 16-bed memory care facility and 6,000 ft. of retail is moving forward. This project is planned for the vacant property at 2nd St. and Mt. Diablo Blvd.

### Lafayette Streetscape Project

City Staff will go out to bid again this winter for the project that would include new sidewalks, gutters and landscaping between Mountain View and Lafayette Circle. Bids came in too high this past summer and the city decided to hold off. This project is financed mostly from a state grant.

### Downtown Historical District

Representatives from City Council, Planning Commission, City Staff, owners of the Lafayette Park Theatre, and the buildings from The Squirrels to Way Side Inn all gathered for eight meetings to try and come up with a compromise to lower the parking required in the area. The city may go forward with establishing a special overlay district, but at this time, there was no agreements made by the city and the property owners.

## Don't Miss Your Chance! Update your business info for the 2012-2013 Chamber Directory!

It is that time again when we start to prepare the 2012-2013 Business and Community Directory. This popular directory is delivered to every home in Lafayette. **In addition to information on our Lafayette community, we list our Chamber member businesses twice – in the category listings and the alphabetical listings.** There are opportunities for advertising – from business size ads to full page ads in black and white and color – more information on advertising to follow. Are you using social media? We'd like to know.

In order to make the directory as accurate as possible, each Chamber member will be receiving a letter asking them to review their current listing in the Chamber website's Member Directory - <http://lafayettechamber.org/members/member-directory/>. Be ahead of the game and check your listing out today and let us know of any changes. If your business name is underlined – click on it and it will take you to your website – do we have the correct link? If your business name is NOT underlined, then we do not have a website link for you – do you not have a website address? Do we have the email address correct for your business? To check click on the underlined "Request Info" next to the envelope icon. (See enclosed flyer to advise us of corrections and additions to your listing.)

You can also update your business' listing on the Chamber website by adding up to 25 words that describe your business and let people know what makes your business special. This description will be put in the "About us..." portion of the listing. If you have any questions regarding our upcoming directory please contact Linda Carlson or Barbara Gilmore at 284-7404. To look at the 2010-2011 Lafayette Chamber Business & Community Directory go to the Chamber website – [www.lafayette.org](http://www.lafayette.org), click on the "Contact Us" tab from the Home page, click on "Relocation Information" on the Contact Us page and then click on "Lafayette Chamber Business & Community Directory".
