Lafayette is known for its beautiful rolling hills, great schools and family-oriented living. It has several distinct, picturesque, tree-lined neighborhoods, sports playing fields, a community center offering activities for all ages, a pristine reservoir offering hiking and boating and even a paved bike/pedestrian trail linking many neighborhoods with shopping and schools.

But what sets Lafayette apart, what creates the special energy and vibe, is set right at the heart of the city — the downtown area.

With older established downtown housing now supplemented by newer residential developments blending in nearby, the City’s focus on “walkability” pays off – residents can be seen strolling, walking or biking throughout the day and evening to enjoy the mix of world-class restaurants and retail. Residents and visitors alike take advantage of the energy in the heart of Lafayette.

The City’s downtown is concentrated along Mount Diablo Boulevard. “Restaurant Row,” as it is now known, offers many dining choices from fine dining to more casual options.

On warm evenings families take advantage of the casual dining at Sideboard, located next to the Plaza – the eatery even provides picnic blankets for those who want to relax or play on the lawn. Throughout the year community events are held at the Plaza.

Just one block west is Fiesta Square, where young and old enjoy family-friendly restaurants and take advantage of Lafayette’s great weather with plenty of alfresco dining options. A couple of independent coffee shops with sidewalk tables and chairs complete the European feel.

The state-of-the-art Lafayette Library and Learning Center is located in the heart of downtown. With many classes and opportunities for community involvement, the LLLC benefits those of all ages and is ideally located so that residents can walk over to it while in town to run errands.

Several specialty gift shops are dotted around Lafayette. From clothing boutiques to an olive oil tasting shop, from designer linens to a floral shop, Lafayette has something for everyone. And if relaxation before lunch or dinner is in order, Lafayette has nail salons and spas too, all in the downtown.

Whole Foods and Safeway provide grocery-shopping choices near the library and, at the other end of the downtown, under the ancient, huge tree that sparkles with holiday lights in the winter, is the family-owned, Diablo Foods.

Neighbors meet and mingle at several community events along the tree-lined boulevard each year from the Art and Wine Festival to the Res Run For Education.

This jewel of a community is tucked away off an easily accessed freeway and BART station, connecting the small town to the big city in just a few short minutes. But who would want to leave?

The City of Lafayette

About 50 years ago, a group of residents proposed that Lafayette incorporate. They were tired of having to go to Martinez for every discussion and approval and having their fate rest with a five-member Board of Supervisors when they could only vote for one. The citizens voted, and Lafayette became an incorporated City on July 29, 1968. 2018 marks the 50th anniversary of that event.

But what if the voters had said no and Lafayette had never incorporated? What would an unincorporated Lafayette be like? Here are glimpses of what Lafayette has become since incorporation and you can think about how much of this would have occurred without incorporation.

Local control over planning and development was the primary argument for development. Since incorporation:

- The hillsides remain largely protected from further subdivision and from large homes on the top of ridgelines.
- Most new development is downtown, and the three-story height limit remains.
- The 50'-high signs that announced Mount Diablo gas stations to those on the freeway are gone.

Successive Councils and staff have focused on improving the City’s infrastructure with noteworthy results.

- Almost all the once failed public roads are fixed and the rest will be soon. For years, the City has directed as much money to fixing roads as possible.
- The storm drains are also fixed. When there are heavy rains now, drains do not overflow like they did during the first 20 years of Lafayette’s incorporation.
Finances. The City has performed well financially.

- Lafayette incorporated as a no property tax city and lives within its means. Lafayette has minimal unfunded pension and other post-employment benefit debt.
- The reserve fund which began with pennies in 1968 was just below $10 million in June 30, 2017 and exceeded 70% of annual General Fund expenditures.

Community Facilities. Lafayette added many facilities that benefit the public.

Our recreation facilities have grown from the original 711 Fields on St. Mary's road and the downtown Plaza Park to also include the Community Center, the Community Center Park with ballfields and natural areas, the Brook Street and Leigh Creekside Parks, and a trail system.

The City built a new library to replace the one the County erected in 1962. Private fundraising raised $12 million that added to the amounts received from winning a competitive state grant and the redevelopment agency.

Public Safety. This is a priority for the City and uses approximately 40 percent of the annual budget. Since incorporation we have contracted with the County Sheriff’s Office for police services. However, the officers are our Police force, wear Lafayette uniforms, and drive Lafayette Police Department cars. In recent years we added cameras, created the Citizens Police Academy, added non-sworn community service officers, and achieved an exceptional closure rate for all crimes. We have the benefits of both a local force and the Sheriff’s Office.

In February we dedicated our new Police Headquarters on Mt. Diablo Blvd.

Parking. When we incorporated, there were no public parking lots. Now there are four with a fifth to open fall 2018. Yes, there are parking meters but that is how we can afford new lots and keep spaces vacant for shoppers rather than BART commuters.

A 50th birthday warrants a celebration. There will be a party on July 29 and we will also weave the 50th anniversary into the fabric of community events.

Birthdays are a time for gifts and we can give ourselves the gift of a cleaner environment. A group is spearheading an effort to get businesses and residents to adopt MCE’s Deep Green option or the PG&E equivalent. All your power will come from renewable resources, primarily wind and solar.

Much has happened in 50 years, enough for many of us to Love Lafayette. What is behind the accomplishments? In the words of Margaret Mead, “Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.” Thanks go to all who have been and are part of that group.

Happy Birthday Lafayette! Love Lafayette!
City Government

Since its incorporation in 1968, Lafayette has been governed by five non-paid council members who are elected at large for four-year terms. The Mayor is selected from the Council and serves a one-year term. The Council usually meets the second and fourth Monday nights of each month at the Lafayette Library and Learning Center, 3491 Mt. Diablo Blvd.

An appointed City Manager serves as chief executive officer and is responsible for the day-to-day administration of City affairs.

MCE’s Deep Green 100% California renewable energy service costs only one penny per kilowatt–hour more than our Light Green 50% renewable option. Just before midnight on July 12, 2017 the building once known as Peacock Alley was
destroyed in a terrible fire. Along with 8 other businesses, the Lafayette Chamber lost
everything in a matter of minutes. Brave firefighters controlled the blaze and no other
structures were touched. This is now a footnote to the Chamber’s long history in
Lafayette. The Chamber had resided in that building since 1992. Without missing a step,
the Chamber kept its doors open, without a door of course. This year we celebrate our
70th anniversary in our new office at 251 Lafayette Circle, Ste 150. Our organization is
over 660 members strong. Our mission is “To promote and maintain a healthy business
climate and to preserve and enhance the quality of life in Lafayette.” We work to promote
a vibrant local economy. We advocate for our local businesses. We support local
education and a sustainable future.

Whenever you come to the downtown and there is a festival, an outdoor concert or
activity going on, chances are the Lafayette Chamber is behind the scenes putting on the
show. The Art & Wine Festival, Rock the Plaza, Dogtown Downtown, Earth Day, the Res
Run for Education, Trick or Treat Street and Taste of Lafayette are just some of the events
your chamber manages. And in December it is the Chamber along with Dana Green and
Branagh Development that puts on It’s A Wonderful Live in Lafayette and keeps the twinkle
lights glowing through the holiday season.

Our Board of Directors include retailers, restauranteurs, doctors, fitness experts, real
estate agents along with civic leaders to keep the Chamber true to its mission.
We are proud to be a part of this beautiful community.

SHOP LAFAYETTE
With its tree-lined streets, small town atmosphere, and wide variety of shops,
restaurants and specialty stores, shopping in Lafayette is just plain old fun!
But shopping locally also means you are supporting local
businesses as well as the larger community. Nearly one quarter of
the City’s budget comes from sales taxes collected in Lafayette,
and this money is used to fund street repairs, police services and
youth and senior services.

On a dollar basis, this means that approximately 12
percent of every single dollar spent with local businesses
ends up staying in the community.

TOWN HALL MUSIC SERIES
Some of the most heart-thumping music groups in the Bay Area perform in Lafayette’s intimate 185-seat concert venue at Town Hall, including such local legends as Drew Harrison, Petty Theft, Forejour, and The Buzztunes. Adorning the wall in the Town Hall lobby are hand-crafted posters from the frequently sold-out events over the past few years including the Lafayette Community Music Festival, which celebrates its eighth consecutive year in 2018.

EDUCATION
In Lafayette, music is always in the air thanks to Lafayette Partners in Education funding which supports weekly general music instruction for all K-5 students as well as weekly instrumental band, strings, or choral music instruction for 4th-5th grade students. At Stanley, LPIE provides expert instruction by not only supporting music sections, but with the help of music mentors for instrumental music and an accompanist for choral music. At Acalanes, students gain expertise through music mentors, voice coaches, master teachers, and the purchase of instruments. Performances are held throughout the year.

Opportunities for private music lessons are abundant for youth and adults: Bradley School of Music, Lamorinda Music, Modern Tone Studios, Music Co-op, Simply Music, and Zavaleta Music Studios. The weeklong Lafayette Summer Music Jazz Workshop, which is supported by the Generations in Jazz Foundation and directed by Stanley Middle School music director Bob Athayde and jazz curriculum director Kyle Athayde, brings hundreds of talented middle- and high-school-aged musicians together to take master classes, improvisation workshops and jazz combos, led by some of the preeminent professional musicians in the field.

The desire by city leaders to create a vibrant community in Lafayette was underscored with the addition of the Lafayette Library and Learning Center.

This over 30,000-square-foot facility, located at the corner of Mt. Diablo Boulevard and First Street, includes a grand Community Hall, with a stage and state-of-the-art sound and lighting features – a popular venue for many performing arts groups and lecturers – and is a great location for meetings and private functions. Typical events feature best-selling authors and renowned scientists, as part of the Distinguished Speakers Series, as well as musical performances by local jazz bands or chamber orchestras, and educational seminars. An art gallery lines the outside entrance to the Community Hall, and smaller rooms, like the Arts and Science Discovery Center, often feature classes and presentations.

Contributing to the Library’s rich calendar of events is the Glenn Seaborg Learning Consortium – a partnership of twelve top education, science and arts institutions, each providing outstanding programs that serve to make the LLLC a center for lifelong learning. Many more activities are offered in the main library, which boasts 110,000 books, magazines and DVDs. Local teens provide technology help and advice to residents in the Technology Lab, librarians host story time tales for preschoolers in the Children’s Area, and many fun seasonal events, like the annual Battle of the Bands, delight children, teens and parents alike.

The facility offers on-site parking and has easy access to BART and other public transportation. Smaller rooms accommodating 2-20 people are available for rent. The Lafayette Library and Learning Center Foundation staff – together with LLLC Building staff – work with each renter to ensure a successful event from start to finish.

Please visit www.illcf.org for a full description of the various rooms and rental rates.
LAFAYETTE SCHOOL DISTRICT

The Lafayette School District educates students from kindergarten through eighth grade. The system includes approximately 3,200 students in four elementary schools: Burton Valley Elementary, Happy Valley Elementary, Lafayette Elementary and Springhill Elementary, along with one middle school - Stanley.

The District offers a full range of services based on the needs of the students, yet the basic instructional day centers around the core subjects: reading, language arts, mathematics and science. There are strong music and arts programs at all of our schools. Academically, our students continually score among the highest of all California students. Most will be college-bound after attending either Acalanes or Campolindo High Schools.

The overall success in the District is attributed to a strong, ongoing “Partnership in Education” relationship which exists among students, parents, faculty and the community. The District is proud to offer a number of special programs: reading specialists, resource specialists, library services, band, orchestra and chorus, English as a second language instruction and much, much more.

ACALANES UNION HIGH SCHOOL DISTRICT (AUHSD)

The Acalanes Union High School District serves students in grades 9-12 and has an extensive adult education program. The majority of Lafayette students attend either Acalanes High School at 1200 Pleasant Hill Road in Lafayette or Campolindo High School, just up the hill at 300 Moraga Road in Moraga.

A Tradition of Excellence

The District’s four high schools, Acalanes, Campolindo, Las Lomas, and Miramonte, all rank in the top 60 of the 1,000 high schools in California based upon the Academic Performance Index and the top 4% of all high schools in the United States for strength of the Advanced Placement Program. The Acalanes Center for Independent Study offers an exceptional alternative education program. All the schools in the district are fully accredited by the Western Association of Schools and Colleges.

Parents and Community

The Acalanes Union High School District is considered one of the highest performing school districts in California. Parent participation and support is provided with volunteer hours and fund-raising through parents and boosters organizations, and foundations. The community passed various bond measure and parcel taxes over the years to fund the improvement of District facilities and to maintain or expand education opportunities for the students of the district.

Today, close to 20 percent of Lafayette’s population is 65 years or older and these seniors are vital participants in most of the organizations that are the backbone of our community. In turn, the city has many programs to support the needs of citizens as they age so that they can continue to lead full, vibrant and interesting lives.

**LAFAYETTE SENIOR SERVICES**

The Community Center, located at 500 St. Mary’s Road, offers one-stop shopping for adults 55 and over – providing support, information, educational opportunities and informational workshops. At just $15 per year, annual membership is a fantastic value. Each season, a number of classes, workshops, and events are offered.

Want to get more involved? Lafayette Senior Services Commission’s mission is to enhance the well-being of Lafayette’s older adults by identifying their concerns and needs; providing information about resources; and promoting community programs and services that enable them to live meaningful lives. The Commission generally meets on the 4th Thursday of every month from 3:30-5:30 p.m. at the Lafayette Community Center (Alder Room).

Recreation, Parks and Trails

Lafayette Reservoir and Recreation Area

Owned and operated by EBMUD, the Lafayette Reservoir and recreation area is located off Highway 24 just a mile from Lafayette BART. This dog-friendly, all-year, day-use area is ideal for hiking, jogging, fishing, boating and picnicking. Hikers will love the 2.8-mile paved Shore Trail that completely encircles the Reservoir. The Rim Trail is a more challenging 4.3-mile dirt trail that traverses the ridge tops surrounding the Reservoir. Be sure to bring quarters for the parking meters.

Lafayette Plaza Park
(corner of Moraga Road and Mt. Diablo Blvd.)

Deeded in 1864, this 0.3-acre site is the City’s oldest park. Its central location makes it a favorite spot for outdoor music and civic gatherings. The lawn, seat walls and surrounding trees provide a lovely place to enjoy the downtown scene.

Leigh Creekside Park
(Corner of Moraga Boulevard and 4th Street)

The 0.6-acre park is bordered on one side by Las Trampas Creek. It is easily accessed by the Lafayette Moraga Regional Trail. A majestic, heritage Valley oak takes center stage to numerous other trees and riparian plants. The park has two picnic tables, benches, drinking fountain and a lawn.

Lafayette-Moraga Regional Trail

This 7.65-mile linear park parallels St. Mary’s Road through Lafayette and Moraga and is intended for hiking, bicycling, and equestrian use. The north end of the trail begins at a staging area at Olympic Boulevard and Pleasant Hill Road in Lafayette, south of Highway 24, and ends at EBMUD’s Valle Vista staging area at the outskirts of Moraga, bordering San Leandro Reservoir and Redwood Regional Park.

Lafayette Community Park
(480 St. Mary’s Road)

The 68-acre site contains a diverse array of topography, wildlife and recreational opportunities including field sports, playground fun, picnicking, hiking, horseback riding, mountain biking and communing with nature. The south end of the park contains facilities and equipment that support active use sports fields; two batting cages; children’s playgrounds; and restrooms. The central portion and north end provide ample space for quiet strolls and nature walks. Pétanque courts are located across the creek alongside St. Mary’s Road.

Brook Street Park
(3562 Brook Street)

Tucked into a residential, downtown neighborhood and adorned by redwoods, this small park has a whimsical pirate ship play structure. In the back, beneath a shade structure, is a children’s picnic table and side serving table that can accommodate small parties.

As a group, we have remained steadfast in sharing the common goal of helping our neighbors build a prosperous community filled with pride and vision — to become the best of what Contra Costa has to offer. The continued trust and friendship among home buyers and sellers throughout the county have propelled Village Associates into a position of market leadership for each of the past 18 years, for which we are truly grateful.
